The Event

Our bourbon-tasting event brings together the delicacy of bourbon and the collaboration of community. This gathering is not just about the delicate notes of bourbon; it's a convergence of our community's collective effort to ensure no one faces the challenges of cancer alone.

Launched with the purpose of reaching and serving more individuals impacted by cancer, this special event has a limited number of attendees and celebrates growth, community support, and the pursuit of meaningful change in people's lives. Every note, every pour, and every moment contributes to our programs, ensuring that the Cancer Support Community can reach even more people in need.

Please join us as a sponsor in making a difference, one sip at a time. Cheers to growth, community, and positive impact!

Anticipate an enchanting affair featuring exclusive bourbon pours, delectable heavy hors d'oeuvres, purposeful socializing, a dynamic live bourbon auction, and more. Join us as we create memorable moments and rally together to ensure the Community is Stronger Than Cancer.

We look forward to sharing this extraordinary experience with you!
